The American Football Preservation Project

The Collectosaurus Project has been very busy with AFPP posts this month and there's a lot more on the way...

What We Accomplished in April

During the month of April we added 15 entries to our Archive account that included footage from three leagues (the AAFC 1946-1949, AFL 1960-1968, & WFL 1974-1975). These posts included highlights, partial games, full games, specials, and more, with partial or full coverage of 47 different games across the three leagues. You can check out the games for yourself below:
